

Nailing the Future

Nailed It is socially conscious of our responsibility to give back to our communities. We would love the opportunity to work with you and support the cause near and dear to your heart. The following fundraising options are considered on a case by case basis.

Fundraising

- **Off-Site School Event**
 - Host a large event with advance ticket sales to create a small project off site. (minimum ticket sales required .)
- **Spirit Day**
 - Studio hosts one day to give back to your school. Pre-registration is strongly encouraged. Studio will provide a private link for your event to register and track participant sales.
 - 15% of proceeds are donated back to host school. This includes retail and workshop projects. Any custom design fees are excluded from the donation. Custom order requests must be received 72 hours in advance.
- **Charitable Options**
 - A day dedicated to the charity. We will donate 15% of all sales when the customer mentions your organization by name. This includes retail and workshop projects. Any custom design fees are excluded from the donation.
 - The charity supplies a representative for a live auction with us at the Nailed It DIY studio. Projects are created by volunteers, that you provide, and are then auctioned off via a Facebook Live auction. Supporters bid live and at the conclusion we donate a fixed amount back to the charity.

Charitable Donations

- \$50 donation or gift certificate to use in our studios. (limited opportunities)

Sponsorship

- Team sponsorship opportunities may be available for your organization.
